Truckee Plurality Re-Elects District Attorney In Close Vote

The voters in two Truckee precincts and the one at Soda Springs elected a new justice of the peace of Meadow Lake Township and was instrumental in the election of at least one county officer at the primary election on Tuesday.

In the race between R. N. Little and Frank A. Titus for justice of the peace, Little carried all precincts by narrow margins. In Truckee No. 1 his plurality was 32, in Truckee No. 2 it was four and at Soda Springs it was two.

The vote by precincts was as follows:

	Little	Titus
Truckee No. 1	92	60
Truckee No. 2	86	82
Soda Springs	19	17

Little will replace Justice C. E. Smith who declined to seek reelection. Constable N. F. Dolley, unopposed for reelection, received 275 votes in Truckee. Three write-ins scored four votes.

Word from Nevada City yesterday revealed that District Attorney Ward Sheldon's lead over his opponent, Frank G. Finnegan, was only 73 votes in the whole county. The three local polling places gave the incumbent 215 to 137 for Finnegan. With only a handful of votes left to canvass, the county count was Sheldon, 2979; Finnegan, 2906.

In the six-way race for sheriff of Nevada County, Sheriff Carl Tobiasen led all opponents in the precincts in this area but trailed his 1942 opponent, Richard Hoskins of Grass Valley, in the county-wide vote. Wayne Brown was third while three other candidates registered only scattered support.

The local vote for sheriff was:

	T1	T2	SS
Tobiasen	85	79	32
Hoskins	51	64	5
Brown	15	10	1

Their strength in the county showed Hoskins with 2218; Tobiasen, 2182, and Brown, 1157. The two higher men will face a run-off election on November 5th.

Another county contest carried into the November voting is the race for superior judge. The contestants for the seat now held by Judge George Jones will be James Snell and Vernon Stoll of Grass Valley. The county gave Snell 2662 to 2314 for Stoll and 954 for W. E. Wright.

In Truckee and Soda Springs vote totals for the three were Snell, 51; Stoll, 177; Wright, 111.

In the contest for State Board of Equalization, local results followed the trend and gave State Senator Jerrold L. Seawell a 20-1 majority over both his opponents on both major party tickets.

Local voters also followed the trend by giving Governor Earl Warren heavy majorities on both tickets over his opponents, Attorney General Robert Kenny and William Riker. The local count was Warren 284; Kenny 48; Riker 5.

LAKE TAHOE—In the most spirited election at Tahoe in many years, Tom Doherty, Kings Beach contractor, and C. W. Vernon, Tahoe City businessman, won places on the general election ballot for justice of the peace of Township 11, Placer County. Both were write-in candidates against Carl A. Bechdolt, Sr., who ran third in the race. The post is now held by Mrs. Evelyn Bliss who did not seek retention. The vote at Tahoe was as follows:

	Kings Beach	Tahoe City
Doherty	125	49
Vernon	12	125
Bechdolt	5	54

In the contest for constable of the township, Harry Johanson, the incumbent, overwhelmed F. E. Walker by a margin of 293 to 70.

In the only two Placer county contests, Tahoe precincts favored Edgar Kenison, incumbent, for sheriff over his two opponents by strong majorities and for superintendent of schools the Tahoe precincts split the honors. At Kings Beach Henry H. Ninas had 58 votes to Albert Bequette's 51. At Tahoe City it was Bequette 98 and Ninas 83.

In the state races, Tahoe voters heavily favored Governor Earl Warren for reelection and Senator J. L. Seawell for state board of equalization on both tickets.

Sierra Sun Beams

By WALTER M. BARRETT

The 1946 primary election is over with its victories and disappointments. If we believe in our American form of government then we must agree that the men and women wanted by the most people have been elected to serve us during the forthcoming years, or nominated for the November general election. Men and women who have served their country and state to the satisfaction of the majority of the voters were reelected and renominated. Those who were not desired in the position they sought were defeated. It will be good sportsmanship to support the elected officials. If at the end of their regime they have not filled a desire of the electorate, then it will be time to select a more fitting person and elect them, but in the meantime give them your fullest cooperation.

Eight young men and women tomorrow night will graduate from high schools at Truckee and Tahoe. Some of them will continue their educations, others may decide to stop school and enter their chosen vocations. To all of them, for whatever they decide, we extend heartfelt congratulations and best wishes.

This week one of Truckee's oldest business firms, Tonini Grocery, changed hands. We are pleased to report that the Toninis are remaining in Truckee to engage in other business in which we wish them continued success. To the newcomers, Ted and Eve Johnson, we extend a hearty welcome and best wishes.

The latter sustained serious facial and injuries and a fractured skull in the fracas. When first taken to the hospital he was given a 50-50 chance of survival but has since improved.

Constable N. F. Dolley placed Young under arrest and took the victim to the hospital.

Sale of Tonini Grocery by Mrs. Annie Tonini and Elden Tonini to Mr. and Mrs. Ted A. Johnson of Portland, Oregon, was completed here this week and the new owners have taken over the management of the concern, effective last Monday.

Tonini has made application with the State Railroad Commission for permission to purchase the Truckee Water System and other local interests from Matt Green of Tahoe and Sacramento. The family will continue to reside here.

Shoppers will miss the Toninis at the store which they have operated for more than 25 years, but will welcome the newcomers who have announced they will continue the same friendly service which has made the store one of the most popular in the region.

"It will be our policy to continue to offer the shoppers of this district the same service which has been given by the former owners," Johnson declared. Johnson is recently out of the armed forces after three years of service and since his discharge has been employed in a Portland grocery firm. Eve Johnson has been working with a grocery concern in Reno for the past two and a half years and both are familiar with the business they are entering.

Gertrude Smith and Kenneth Snider tied for first place on the four-year high school honor roll with a grade point average of 2.5 for the four year period. When the tie was discovered, each insisted the other take the honor. The top honor, however, is decided on the basis of the actual grade point average.

W. J. Martin, principal of the Truckee Grammar School, has announced that both the grammar and high schools will hold their closing exercises at the grammar school auditorium on Friday night, June 7.

Wilma Heath will be the valedictorian for the grammar school with Howard Snider as salutatorian. Marlene Mahne held third place honors. Carlson, superintendent of school. Martin will give the address to the graduates.

The following program has been arranged by the grammar school:

Invocation by Rev. Marvin Quattlebaum; talk by Miss Mahne; vocal solo by Paul Kidwell; salutatory by Snider; western songs by boys' chorus; valedictory by Wilma Heath; vocal selections by Miss Julietta Kopanger; address and presentation of honor rolls by Martin; presentation of diplomas by Carlson.

Saddles

By GEORGE S. BENSON
President of Harding College
Searcy, Arkansas

CASPER, Wyo., boasts a saddle maker who has been at the business for 40 years in that city. Not long ago I visited his shop as a prospective customer, the Harding College stable being in need of saddles. He was no better able to supply us than shops nearer home but he gave me some facts I had not learned while shopping for saddles in other cities.

A good saddle is built on a wooden frame called a tree, much as a shoe is built on a wooden last, except that the tree is built into the saddle and becomes a permanent part of it. Saddle trees are made by men of a highly specialized craft. Trees have to be shaped right, no bulkier and no heavier than strength and design require. Men able to do such things with wood are scarce.

Building DURING the war Uncle Sam needed skillful saddle-tree men in the construction of gliders. "The government employed most of them at about \$160 a week," the saddler declared. Good saddles, not being made any more, might have skyrocketed in price but the Office of Price Administration fixed a ceiling to stop it. Stocks of new saddles soon were bought up by users.

Now the glider business is slack. Wonders have been done with gliders and they are not being forgotten, but fewer are being built. Unemployed saddle-tree men would like to start building saddle trees again — there's quite

a demand. Living costs have built up, however, and they think they ought to have \$120 a week. That's \$6,000 a year and 25% under their defense-plant scale of pay.

A Pair SADDLE manufacturers, Figure it's the one in Casper, want trees because — no trees, no saddles. They would be willing to pay tree builders \$120 a week if saddles might be sold at prices they would easily bring. I guess there are thousands of customers besides me who are ready to pay more for a saddle than it would have cost in the months immediately before the war.

"If today I engaged a good tree builder," said the Wyoming saddler, "paid him \$120 a week in return for his most competent work, and then sold the total product at ceiling prices, it would pay about three-fourths of the wages of the man who made the trees." Obviously it is out of balance. Craftsmen, manufacturers, dealers and users are all waiting for ceilings to lift.

The saddle business is small and many small business men are smothering for sales that are tied up by O.P.A. Plants, employing less than 1,000 men, provide jobs for 78% of industrial workers. Carried too far, this price policy can bring panic and poverty. Liquidating some war-year bureaus would help balance the national budget and help clear the way for new and much needed production.

GOP Win In Keystone State Cuts Demo Lead

SOMERSET, Pa.— Carl H. Hoffman, American Legion and business leader, made Republicans jubilant the nation over last month when he won a special election to represent Pennsylvania's 23rd District in the House of Representatives. He de-

feated the Democrat candidate by a 2,100 plurality in a district which went Democrat by 7,523 in 1944 and which had been Democrat since 1932. Hoffman's election meant that Republicans need to capture only 26 more seats to regain control of the House of Representatives.

In his answer Roxas said, "It is with pleasure that I return those greetings on behalf of my people through new means of communication such as this and from our own sense of gratitude to the United States I can assure you that after our Independence Day on the fourth of July we will feel even closer than we do now to the great state of California."

JUNE 14 SET ASIDE AS BEAR FLAG DAY IN CALIFORNIA

Governor Earl Warren this week will proclaim June 14 as Bear Flag Day, making the centennial observance of the date on which the first Bear Flag was raised a state holiday.

He also will ask observance of the entire month of June as Bear Flag month, he told members of the Native Sons of the Golden West at a recent meeting at Hoberg's, Calif.

The centennial celebration will be launched at Sonoma where the first Bear Flag was raised.

TAHOE LETTER

From SWANEE

Tahoe City, California.
June 2nd, 1946

Dear Tahoeites:

Another lovely Sunday has come to a close and I take my typewriter in hand to bring up to date on the happenings of the past week.

Had company over Saturday and Sunday, Mr. and Mrs. Roy Nichols of Hollister, who paid Tahoe their first visit and were awed and thrilled. Roy was a buddy of son in law PFC Bill Steenis at Camp Roberts. We went to Meeks Bay today for a brief visit and I talked with George Kehlet who is looking forward to a lively season this year, and a happy one, since both his son and nephew are back home

and out of service once more. Visited the gift shop at Meeks where Mrs. Everett Sayre is in charge, and took home some souvenirs. The Sayre's son, Bob, who has been stationed for many months at Fort Ord, where he spent some time in sick bay, phoned his mom last week that he expected to be transferred soon to another post and not to be worried if he didn't write for a spell.

Also noted the latter part of the week that work is again progressing on the Memorial Wall at the Episcopal Outdoor Chapel of the Pines near the Tavern. This rustic wall will stand as a memorial to the boys and girls of Tahoe families who served their country during World War II and will run the entire length of the church property along the highway. Bishop Noel Porter arrives with his wife for the summer at the lake on or about June 15th and at that time plans will be formulated by him for holding of the dedication ceremonies which will honor the local service group at Tahoe.

Blake Goss received his discharge from service last week and returned to the home of his grandparents, Mr. and Mrs. Sam Goss of Lake Forest. He plans to remain at Tahoe and learn a trade. His wife, Tiny, is taking a course in beauty culture at a Reno school at present.

Little Grant Perry, small son of Mr. and Mrs. Les Perry of Lake Forest is still in Washoe General Hospital in Reno where he is undergoing specialized treatment for an undetermined ailment.

Latest word from son Jimmie in Germany is to the effect that he is also undergoing medical treatment for a bad case of sunburn and the effects of pollen in his eyes. He has been restricted in his reading and writing and letters are less frequent at this writing. Otherwise all is well.

TAHOE CITY SCHOOL PUPILS GRADUATE FRIDAY, JUNE 7TH

TAHOE CITY—Tahoe graduates from Placer Union High School this year are Miss Pege Stuart, daughter of Mr. and Mrs. Jake Stuart of Lake Forest, and Mrs. Helen Meisenheimer Beuhler of Kings Beach.

Commencement exercises will be held in the Agard Street gymnasium in Auburn at 8:15 PM on June 7th. Miss Stuart is now in Auburn and will remain there until after graduation.

From the eighth grade, graduates of Tahoe Elementary School are Howard Carnell, Judy Rost, Jimmie Morhain, Beulah Frey and Robert Dockham. To date only Jimmie Morhain and Beulah Frey have signed they will continue on with their education through the summer by attending summer school which starts on June 10th. There will be no summer school co-ops this season.

GOING TO CANADA

LAKE TAHOE—Mr. and Mrs. C. McCoy and their daughters, Nancy and Jeanne, stopped in for a short visit with the M. S. Robertsons in their home on the lake. The McCoy's are en route to a vacation in Canada.

Donald Enfield was a guest in town last week spending some time at the Hinkle home where he visited with his three children. He was en route to Seattle where he will remain for the next several months.

Received a pleasant surprise last week when I opened a letter from Kay Jewelers' San Francisco office informing me that I had won a merchandise order in their recent Sweetheart Swingtime contest on the radio.

Bill Becholdt is receiving medical attention from Dr. Pedersen at the Tavern for an old infection on his neck which he received during his service with the infantry. Nothing serious, but he's wearing a neckband for a week or two during the period of treatment.

Dropped in today to visit briefly with my old friend Mrs. Elizabeth Walker on the Truckee River and incidentally, left daughter Jackie there for a week to help care for her. Found she was entertaining informally her neighbors, Kate and Murray Foster, who have been vacationing at their summer home near Taff's, and C. Willie Denny of the Truckee River. Foster's home is at Woodside and his mother resides in Oakland. The family plans to return for the summer season shortly after election day. Other recent visitors at the Walker home on the river were her nephew, Dr. Whit Crane, and wife, who came up to investigate the progress her broken hip is making. . . . and Mrs. Walker's niece, Mrs. Rodrick Smith, Jr., who left for her home in southern California on Friday last after an extended visit. And in spite of the discouraging prospects of another operation facing her some time in July, Tahoe's most cheerful semi-invalid continues to greet her friends with the same cheery smile and indomitable optimism.

Wind this up for the week as news continues elusive. Summer is arriving with a vengeance, and the pungent odor of blossoming choke cherry greets the motorist along the Truckee-Tahoe highway, traffic continues to increase by leaps and bounds and the curious throng of vacationists again line the bridge railing daily to watch the antics of those lazy big trout that inhabit the ideal retreat in the water between the Tahoe dam and the highway bridge. Fishing news continues to improve with the passing weeks and mild sunny weather remains the order of the day.

Hope this finds you all sitting on top of the world and here's wishing you success, good health and good cheer in all you do.

As ever, SWANEE

TAHOE TEACHER IS HURT IN MISHAP ON AUBURN ROAD

TAHOE CITY—Mrs. Les McIntyre teacher at the Tahoe Lake School was absent from classes on Friday due to an accident which occurred while she and her husband were en route home Thursday night from the valley where they spent the holiday. Near Auburn Mrs. McIntyre, who was driving, attempted to pass a car ahead, found she couldn't make it as a car approached from the opposite direction. In attempting to step on the brake her foot touched the accelerator and the car sprung forward. In order to avoid a collision, she passed on the right and would have come out without mishap had the car not hit a bank in the darkness.

McIntyre was uninjured but her wife was badly bruised and shocked.

TAHOE BRIEFS

There was no school on May 30th, Memorial Day, at Tahoe.

Otto Fox was a visitor at Tahoe over weekend. Much of his time was spent in orchestra practice and private musical instruction. He will join staff of Tahoe branch of Placer Union High School again this summer.

Mrs. June Mandeville of Lake Forest and three children, Valerie, Larry and Skipper enjoyed the weekend in Sacramento where they were guests of Mr. and Mrs. Archie Meade. Valerie paid a visit to the eye specialist while there and he found no serious fault with her eyes.

Fred Setley is recuperating most satisfactorily at a rest home in Lincoln where he has been spending the past few weeks following an attack of pneumonia. He hopes to return to Tahoe and his job at the fish hatchery within the next two or three weeks. He is now walking two miles a day, a part of his reconditioning program.

Mr. and Mrs. Charles Swanson of Sunnyside entertained at dinner on Saturday night Mr. and Mrs. Roy Nichols of Hollister, Mr. and Mrs. Eric H. Druhn, Mrs. William Steenis and Jacquelyn Kincaid.

Mr. and Mrs. G. E. "Benny" Benadum of Meeks Bay on Saturday became the proud parents of a baby son who arrived at St. Mary's Hospital in Reno. He topped the scales at six pounds ten ounces and has been named Dennis. Mother and baby are reported progressing nicely. Lumber for their home arrived the first of this week and their Meeks Bay house will soon be ready for occupancy.

Donnie Prusso accompanied his mother, Mrs. Everett Prusso of Long Beach to Tahoe for a long anticipated vacation on Friday last. He will remain for the summer.

Lake Fishing Improves, Trout Limits Recorded

TAHOE CITY— Fishing news continues to grow better every week, with local champions including Waldo Gross, who with his wife operates Lake Pines Court, formerly Wagner's Auto Camp at Lake Forest. Gross has enjoyed excellent luck every time he goes out on the lake, and finds his best spots the old Tahoe Pot Hole and Carnelian Bay.

Recently in company with Leonard Lund and Frank Alameda, both of Sacramento, the trip came back with three limits. The trout, all mackinaw, ranged from 4½ to 6 pounds, the largest weighing 7 pounds. On Sunday last Gross and his guest, Ralph Francis of Sacramento, came home with three nice trout after a round of rowing, the largest a five pounder.

Down Chambers' Lodge way Herman Tiedeman, caretaker of the resort, brought up a beautiful eight pound rainbow trout while fishing off the wharf.

Two Couples Mark Date Of Weddings at Bacchi's

TAHOE CITY— Mr. and Mrs. John Maderos of Bacchi's Inn, Lake Forest, on Sunday celebrated a dual wedding anniversary observance with their friends and weekend guests, Mr. and Mrs. Ed Gray of Sacramento. The Maderos were married 11 years ago at the Catholic chapel at Tahoe on June 2 and the Grays were married six years ago June 1.

Other guests who attended the special dinner party included Mr. and Mrs. Wiley Jones, Mr. and Mrs. Harold Perry and Mr. and Mrs. George Bacchi.

Alec Donaldsons Observe 25th Wedding Anniversary

TAHOE CITY— Mr. and Mrs. Alec "Scotty" Donaldson on Saturday last observed a rare occasion in their lives—their 25th wedding anniversary. The best wishes and many lovely gifts were received by them from their many friends and a special dinner party was enjoyed at their new home in Tahoe Park.

Guests who gathered to assist in enjoyment of the day included Mr. and Mrs. Delmar Taylor, son David and daughter Mary Ann, Mr. and Mrs. Otto Harris, Mr. and Mrs. W. P. Baker, Mrs. Teddy Vaughn and her daughter, Carolyn, Mrs. Alfred Bileng, Mrs. Brandt and Mr. and Mrs. Floyd Seaman, all of Reno, and their son in law and daughter, Mr. and Mrs. Robert G. Bettencourt of San Francisco.

We add the best wishes and congratulations of their many Tahoe friends and neighbors.

Lake Near Maximum No Immediate Danger

TAHOE CITY— The level of Lake Tahoe on Monday morning was 6228.72 coming closer and closer to the allowable high point of 6229.1. W. A. Simmonds, local gate tender, does not believe the water will go above the agreed high level unless unforeseen heavy rains occur. Local resort owners are beginning to show concern for their beaches and cottages along the shore of the lake and some are fearful of serious damage should the lake unexpectedly exceed its maximum level.

Should too much water be released at the gates in town, the Truckee Meadows' farmers will be on the worrying end as their farms and gardens will be flooded. It is hoped a happy medium will be maintained and damage at either end averted. There were 101 CSF of water leaving the gates Monday. Coldest day of the past week was on the 29th with 28 degrees and warmest was on the 2nd with 72 registered.

Charles Henrikson of Lake Forest was undergoing medical treatment this week for an ailment that has kept him from working.

Kings Beach School Plans Commencement Program

KINGS BEACH— The Kings Beach Elementary School will graduate four boys at a program on the evening of Friday, June 7. Graduating are Dudley William Hall, James Robert From, William Edgar Stelzriede and Norman King.

Krueger; salutatory, Norman King; song "Cielito Linda", school chorus; composition, "The Flag", by William Hall; class play, "On the Threshold", graduates, Mary Boyce, Patricia Allen, Norman McQuay, Ray Sorensen, Roger Colton, Donna Ivers, and Borne O'Brien;

Presentation of class, Marion Miller; awarding of diplomas, Andy Sorensen; valedictory, William Edgar Stelzriede; farewell song, graduates; aloha, by the school.

Collette Morhain Escapes Bad Injury in Accident

TAHOE CITY— Little Collette Morhain, daughter of Mrs. Dorothy Morhain of the telephone office, escaped serious injury when she was knocked from her bicycle on Sunday near Tahoe City by a motorcycle. Miss Morhain was being followed by her uncle, Mike Korich, who witnessed the accident. Nearing the wye, the motorcyclist tried to turn his machine just as the girl approached. The heavy machine skidded in the gravel and knocked her to the ground.

She was rushed to the office of Dr. J. H. Bernard in Truckee who administered an anti-tetanus shot and first aid. A painful puncture in her leg was the most serious injury but after a few day rest it is believed she will be able again to resume her classes.

New Home at Tahoe

TAHOE CITY— Charlie Warner is the contractor on the beautiful new home being erected near the Kaiser Estate in Tahoe Pines. Mr. and Mrs. Harvey Russell of Walnut Grove are the owners and are hoping to enjoy occupancy by July 4th. The dwelling is a beautiful structure of rock and wood, and the two-story house contains a large living room, two baths, three bedroom, kitchen, large service porch and boasts a combination garage and bathhouse on the lakeside. Russell is a land levelling contractor at Walnut Grove where the family owns a large ranch.

Lasting Loveliness

How attractive is spiritual beauty! And how pressing is the need for it to be more evidenced and appreciated in human affairs. The unselfish deed, the healing thought, the noble outlook all express the beauty of the perfect Life, the divine Mind, which is God. The Bible declares (Psalms 50:2), "Out of Zion, the perfection of beauty, God hath shined."

On page 247 of "Science and Health with Key to the Scriptures" Mary Baker Eddy, the Discoverer and Founder of Christian Science, writes: "Beauty is a thing of life, which dwells forever in the eternal Mind and reflects the charms of His goodness in expression, form, outline, and color. It is Love which paints the petal with myriad hues, glances in the warm sunbeam, arches the cloud with the bow of beauty, blazes the night with starry gems, and covers earth with loveliness."

The one who best expressed on earth the beauty of perfection was Christ Jesus. The Gospels inform us of his youthful desire to be always about his Father's business; they tell us of his habitual meekness in giving up his own will and his might in doing the will of God, of his gentleness in binding up the brokenhearted and his stern rebuke of hypocrisy and guile.

The Scriptures also tell us of the Master's patient labor of love in teaching his disciples how to heal the sick as he did through the power of Truth understood. His clear understanding of God's omnipotence and man's immortality was evidenced in his fearlessness before all material threats. He declared man's divine Principle of being when he said (Matthew 5:48), "Be ye therefore perfect, even as your Father which is in heaven is perfect." The basis of the Master's thought and action was the perfection of God and the perfection of man as God's spiritual reflection.

If we desire to express "the perfection of beauty," the glory of God must be evidenced in our lives. It must be manifested in purity, forgiveness, wholeness of heart, in strength of spirit, greatness of mind, loveliness of life.

As we look back over our lives, is it not the unselfish service performed, the right course taken, the work well done, the spiritual idea realized which remains to make the present hour glad? Will it not be the beauty of perfection expressed in our daily lives which will make our future fruitful and bright? When we learn to understand God aright, the desire and design of all our daily living will be to express His beauty and goodness. Thus will lasting loveliness be found, but not in outward show or fading material forms. It will be discovered and possessed as we reflect the charm of God's goodness, the strength of His mercy, the wealth of His love. In the words of the Psalmist (Psalms 90:17), "Let the beauty of the Lord our God be upon us."—The Christian Science Monitor.

Out of 98 eighth grade boys in the Fayette Co., Ohio, schools who voted recently on their future, 59 said they wanted to be farmers.

Truckee's number one voters on Tuesday were John Boland at No. 1 and Charles Machin at No. 2. Major Colin Campbell still in uniform with his brass freshly polished... Bert up on election day... met Dick Ackerson's younger brother, Art, here from back east... the post office getting a real scrubbing for its coming of age as a second class job... Mrs. Lotta Bryant and Mrs. Roy Feathers leaving the polls... Hughie Carter's beard still looks a little scraggly but it's coming... and so is Easter... Andre Oroz still looking for an outlet for his talents... the kids at the schools here looking forward to the summer recess... Buddy Zorich bucking for membership in the Street Sweepers Protective League... Usher Tucker, doing well at Tahoe, in Truckee on business.

California voters on Tuesday threw tradition to the wind and nominated the incumbent, Earl Warren, for governor on both major party tickets. Between him and a second term as chief executive stands only the flimsy obstacle of the Prohibition party whose nominee—Henry Schmidt—will be the only other name for governor on your November ballot. A man so universally popular among his neighbors after four years in the toughest job in the state cannot be overlooked as a possible candidate for President two years hence. The governor offers the type of leadership this nation so sorely needs at the present.

THANKS

For the splendid vote which was given me in Eastern Nevada County. It shall be my highest hope to justify the confidence which you voters have placed in me and I want to express my most sincere thanks.

By CARL HELM

SOMETIMES it strikes you as funny—hearing a nationally-known voice on the air at night, after having had lunch with the man behind it at noon-time.

As the disembodied personality pours out of your radio, you can't help comparing it with what the very-much-in-the-flesh owner looked and acted like over the mid-day peas and potatoes. Often it's amazing...

As when, for instance, H. V. Kaltenborn—the most ponderous and portentous of the commentators—showed up at the weekly lunch of our Overseas Press Club here the other day. Could you imagine how the ether's most staid and stolid oracle was garbed? In a cinnamon-brown tweed sack suit and a mulberry-hued soft shirt, no less—and a henna tie! Very fetching it was, too, with Mr. K.'s ruddy complexion and grizzled gray hair. Mr. Kaltenborn booms and barks, albeit amiably, even when he's asking you to please pass the sugar. By contrast there's the decorously dressed Lowell Thomas in a dark blue suit, white shirt and dark tie—and as for William L. Shirer, you'd hardly know he's around.

One of N.Yawk's most exclusive, the Overseas Press Club is the weekly gathering place of the correspondents and commentators you know about. All of them have done their time abroad in war and out. They reminisce, and the name they most mention this long after his passing is that of Indiana-born Ernie Pyle—the humblest in body and spirit who, nevertheless, was to become the greatest.
